Introducing the Logo

The First Abu Dhabi Bank (FAB) name reflects the two banks' deep roots and experience in the region, combining the strong 'Abu Dhabi' and 'First' identities from NBAD and FGB. The bank has adopted the acronym F.A.B in its logo, which also features the well-recognised Awwal brand mark, enlarged to represent growth and leadership.

The blue, red, black and white colour palette represents a bold, crisp aesthetic, which provides a modern, progressive look and feel for the new brand. The brand colours reinforce FAB's position as a strong and visible financial institution which is confident in its future. The brand identity is dual language, supporting the bank's strategic plans at home and abroad.

Abdulhamid Saeed added: "The new branding reflects our aspirations as the UAE's largest bank by total assets worth AED 682Bn and one of the region's dominant banking players by market cap of AED 120Bn. FAB is set to build on our proven track record of strong business performance and loyal customer base, and will leverage synergies across core business groups, create as well as capitalise on new opportunities, and most importantly, meet the evolving needs of our customers."

Customers and all stakeholders will be introduced to the new brand across branches, digital touch-points and all communication materials in the near future.

Leading a social movement – 'Grow Stronger'

As part of the brand launch, FAB has developed a strong platform, 'Grow Stronger', which will support the bank's aspirations to ignite a new social movement that supports the growth ambitions of its stakeholders, and goes beyond financial products and services. FAB is striving to create a community of people who are inspired and empowered to achieve their goals and grow stronger, together.

Abdulhamid Saeed, concluded: "Grow Stronger is more than just a slogan – it's a passionate movement which embodies our values, and our mission to motivate, educate and inspire our customers, at each stage of their lives.
